

You are invited to an informative and interesting Cruise presentation

Adrian from GO Cruising and YOU Travel would like to delight and entertain you with a Cruise presentation "with a difference". October is **Plan a Cruise Month**. That means, we at YOU Travel would like to help you find the perfect Ocean Cruise experience for your next holiday. How do you make a choice amongst the myriad of cruise lines on offer? Where do you go, and what time of the year?

We will explain which cruise lines are family friendly, accommodating the oldest in the family to the youngest. Which ones are suitable for Couples or Singles? Which are the Discovery adventures, and what new destinations are on offer. Perhaps you thought about a Themed Cruise, so you can dance, or paint, or learn to cook?

What are the price points and why do they differ so much. What are the new cruising destinations and more authentic ports of call? Come along and we can answer all those cruising queries you always wanted to know. Plus we have some lovely giveaways just for you!
