KIRI PRICE MARATHON COACH

My passion is working not only with first time marathon and half marathoners but also those who wish to improve upon their marathon performance, no matter their ability.

I have been coaching runners since 2010, and some of the most rewarding experiences include in 2014, 15 and 16, I coached and

managed teams of Achilles (disabled) athletes and their guides through to completion of the New York City Marathon.

I am a long-standing club runner and have competed in several National Road and Cross-Country events. I have been fortunate in my running career to have run marathons not only all over New Zealand, but also overseas including New York, London, Gold Coast, Boston, Melbourne, Honolulu and Paris. In 2015 I was honoured to become the 11th woman in New Zealand to join the esteemed NZ 100 Marathon Club. I am also a member of the Australian 100 Marathon Club.

In my tally of marathons, I've paced runners in over 45 of these in finish times ranging from 3hrs 30 through to over 10 hours. Along the way I have gained valuable first-hand experience in what it takes to cross that finish line.
